DETAILED ACTION

Response to Amendment

The amendment filed 8 November 2006 has amended claims 3, 6, 7, and 9, and cancelled claims 1, 2, 4, and 5. Examiner's rejections under 35 USC 102 and 103 are withdrawn.

Applicant's request for reconsideration of the finality of the rejection of the last Office action is persuasive and, therefore, the finality of that action is withdrawn.

Allowable Subject Matter

Claims 3 and 6-10 allowed.

The following is an examiner's statement of reasons for allowance: previously dependent claim 6 was indicated as containing allowable subject matter in the Office Action dated 9 August 2006. Applicant has amended this claim to be in independent form, and amended all other claims to depend from this claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
